

I am writing to tell you about my concern that the K-Love radio station may be replaced by the LPFM. K-Love serves me a resident in my local community, but I also know that I can find a K-Love station when I am visiting another area. A good Christian radio station is very hard to find, and I am afraid that if the LPFM replaces my K-Love radio station I will not have a good quality Christian station to listen to. K-Love allows people in my community to to advertise free activities that are going on in our area. I feel that things are great with the radio transmissions as they are. I do not see a need to make any changes. Thank you for considering my comments.

Sincerely, Tonya Bredamus, a concerned listener of K-Love
